A.W. “Winn” Brindle Memorial Education Loan 2020/2021 Application and Promissory Note Loan Terms and Conditions

The Alaska Commission on Postsecondary Education (ACPE) services the education loans owned by the Alaska Student Loan Corporation (ASLC). Loans made under this application are governed by Alaska law including Alaska Statutes 14.43.250 – 325 and Alaska Regulations 20 AAC 15.610 – 690 as amended from time to time.

A. Eligibility Requirements:

In order to qualify for a loan, you must:

1. be a U.S. citizen or an eligible non-citizen, and an Alaska resident;
2. attend an eligible postsecondary institution;
3. be enrolled at least full-time in a career vocational-technical program or an associate, baccalaureate, or graduate degree program in a fisheries related field;
4. be a student in academic good standing, as defined by the institution you attend;
5. not be delinquent or have ever defaulted on a prior education loan and within the preceding five years not have had an education loan written off for any reason except for discharge in bankruptcy;
6. not be past due in an Alaska child support obligation;
7. not have a status at the time of application for a loan, or disbursement of the funds, that would prevent you from repaying the loan as it becomes due;
8. if a flight student, hold an applicable pilot's license and be enrolled in a flight-training course certified under Part 141 or 142. Submit a copy of your pilot's license with your application; and
9. have complied with any applicable military selective service registration requirements under the Military Selective Service Act.

B. Credit Assessment/Eligibility Checks:

ACPE will review your credit history and your Social Security Number will be matched against the Alaska Department of Revenue, Child Support Services Division's database, and other required databases, to ensure you are eligible. To qualify for the Winn Brindle loan, you must have a credit history that demonstrates good credit or have a credit-worthy cosigner; if you do not qualify, you will be informed in writing of the reason for the denial and given an opportunity to add a cosigner to your application.

C. Cosigner:

An eligible cosigner is required if you are under 17 years of age, do not meet the credit requirements, or have defaulted on a prior education loan with ACPE. If you elect to add a cosigner, that person will be responsible for the loan even in the event you meet the credit conditions independently. ACPE will notify the cosigner of periods of delinquency, deferments granted, or any repayment agreement that will change the amount due on the loan. ACPE can collect from your cosigner without first having to collect from you.

D. Fees:

ACPE charges no origination fee. You may be assessed a late fee of up to \$15 if your payment is 30 days or more past due. In the case of default, you will be responsible for reasonable collection agency fees and/or collection and legal costs up to the total cost of collecting the debt you owe.

IMPORTANT

Before borrowing, always use grants, scholarships, and other funds that do not have to be repaid. This is not a federal loan and does not have the same repayment options.

Failure to timely repay this loan may result in, but is not limited to:

- adverse reports to consumer reporting agencies
- additional costs to you for collection and accrued interest
- forfeiture of loan deferment rights
- seizure of your Alaska Permanent Fund Dividend
- administrative wage garnishment
- lien on property
- a judgment in a court of law and/or legal or collection action

REMEMBER—Under current loan terms, after four years of borrowing as an undergraduate, monthly payments can be as much as \$500 or even greater at graduate loan maximums.

E. Interest:

The Winn Brindle has a fixed interest rate of 5.00%. Interest begins to accrue when you drop below a full-time enrollment status, withdraw from school or graduate, whichever is sooner. Interest accrues during the grace, repayment, deferment, and forbearance periods. Accrued and unpaid interest is capitalized (added to the principal balance) at various times. Generally, interest is capitalized any time your loan changes from a non-repayment status, such as grace or deferment periods, to a repayment status. Accrued and unpaid interest, late fees, and collection fees must be satisfied before payments are applied to principal.

Online Auto-Pay Reduction:

You may be eligible to receive a 0.25% interest rate reduction on your loan by authorizing ACPE to automatically deduct qualifying loan payments from a checking or savings account during the in-school, grace, and repayment periods. The reduction will remain in effect as long as qualifying automatic payments continue without interruption and other conditions are met.

Qualifying Conditions:

To qualify for the interest rate reduction, you must set-up recurring payments that meet the following conditions:

- **In-school Period** – Payments made during the in-school period must be a minimum of \$50.00 per loan.
- **Grace Period** – Payments made during the grace period must be a minimum of \$50.00 per loan.
- **Repayment Period** – Your loan must be current in repayment, and payments must be a minimum of \$5.00.

- **Deferment/Forbearance Periods** – Payments made during deferment and forbearance periods must be a minimum of \$50.00 per loan.

F. Annual Percentage Rate (APR):

The APR is the yearly cost of borrowing money, shown as a percent of the amount you borrowed. The APR is calculated based on the interest that will be charged over the life of the loan, the principal balance at origination, and the payment schedule, assuming that all payments will be made on time.

This Table Represents Estimated Rates	Interest Rate	APR
Principal Loan Amount \$10,000	5.00%	3.35%

The APR in this example is based on a freshman borrower and assumes four years until graduation, a principal loan amount of \$10,000, a repayment term of 15 years, and no origination fee.

Federal law requires all lenders to provide this information about important credit protections available to members of the Armed Forces and their dependents. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: The costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged. **If you have any questions as to whether the Military Lending Act applies to you, or to receive this information verbally, along with a clear description of your payment obligation, contact us at 800-441-2962.**

G. Disbursement of Loan Funds:

ACPE will send funds to your school's financial aid office. Your loan will be disbursed in equal installments based on the start date of your school's academic terms and your enrollment period, unless your school designates alternate amounts. The disbursement amount cannot exceed the total certified loan amount.

H. Allowable Uses of Loan Funds:

You must be enrolled full-time in a degree or certificate program in fisheries, fisheries science, fishery management, seafood processing, food technology, or other closely related field. If you are enrolled full-time, this loan may be used for tuition and program-related costs; room and board (living expenses); books; supplies; and allowance for transportation for two round trips between the recipient's home and school each year, based on your school's published budget.

I. Loan Maximums:

You may receive funding to cover all costs related to tuition and program-related costs; room and board (living expenses); books; supplies; and allowance for transportation.

J. Repayment:

A repayment schedule will be established when you drop below a full-time enrollment status, withdraw from school or graduate, whichever is sooner. Generally, you must repay in monthly installments of at least \$50 per month for up to 15 years. Payments can be as much as \$500 or greater depending on the total amount borrowed. For borrowers who graduate on time and who do not make payments while in school, the repayment schedule will be the one set forth in the Final Disclosure.

Grace Period:

You will automatically receive a one-time, six-month interest-bearing grace period before the repayment period begins. The first payment will be due no later than 45 days after the last day of the grace period.

Application of Payments:

Payments received will be applied first to any late charges then accrued interest. Any remaining amount will be applied to the principal balance of the loan. Payment on a delinquent loan will be applied first to collection costs (including late fees), then to any outstanding interest charges, then to

the outstanding principal balance of the loan, until those amounts are paid in full.

K. Deferment of Repayment:

This loan includes deferment options during qualifying periods. If you meet certain requirements, you may receive a deferment that allows you to temporarily stop making payments on your loan. Interest continues to accrue during deferments. You should consider carefully costs and benefits associated with deferments. You may elect to pay interest during deferment and reduce the overall costs of borrowing. **Defaulting on your loan will result in forfeiture of any deferment rights.**

Prior loans from ACPE will be placed into student deferment, if eligible, based on notification of qualifying full-time enrollment.

L. Forbearance:

If you meet certain requirements, you may receive a forbearance that allows you to temporarily stop making payments on your loan. If you cannot make your scheduled loan payments, but do not qualify for a deferment, we may give you a forbearance. Forbearances are provided at the discretion of the lender and are not an entitlement of the loan.

M. Forgiveness Benefits:

You may be eligible for forgiveness benefits of 10 percent a year, for up to 50 percent of the loans principal balance. In order to qualify for forgiveness, you must:

1. receive the certificate or degree for which this loan was awarded;
2. be employed full-time in a qualified fisheries related field;
3. have qualifying employment and residency in Alaska; and
4. be current in repayment.

The forgiveness will reduce the number of monthly payments you must make, but will not reduce the amount of the monthly payment.

N. Americans With Disabilities Act Compliance:

Otherwise qualified individuals shall not, on the basis of a disability, be discriminated against or excluded from participation in, or the benefits of, the services, programs or activities of ACPE. Please notify ACPE if you need a disability accommodation.
