

# I KNOW I CAN

## FAMILY ADDRESS FORM

Dear Parent or Guardian:

This \_\_\_\_\_, we will encourage your child to dream about the future. Alaskan college graduates working in a variety of careers will visit the classroom, in-person or virtually, to talk about how each student wants help the community when they grow up. Together, they will read **I Know I Can**, a story that lets students know that with hard work in school, they can do anything - including going to college or completing another type of career training.

After reading and discussing the story, the students will draw pictures on postcards of what they want to do when they grow up. We will put your child's name and address on the postcard and mail it back to them in one-two years as a reminder of their dreams.

Please provide us your mailing address, so that your child can receive their postcard back, giving them the opportunity to compare their past and present career dreams.

*If you have any questions, please call Shelly Morgan, Alaska Commission on Postsecondary Education K-12 Specialist, at (907) 269-7972.*

Please complete and return bottom portion by \_\_\_\_\_. Thank you.

(Please Print Clearly)
